

Post-work Dust Mitigation Checklist

Was Pre-work Dust Mitigation Checklist Completed?

- Yes (*Proceed with this submittal.*)
- No (*Complete the Pre-work Dust Mitigation Checklist and attach to this submittal.*)

Affirmations (*Sign your initials after each affirmation.*)

Affirmation 1: The Project Supervisor certifies that the DOE's Dust Control Procedures were adhered to for all work performed by all Personnel.

Initials: _____

Affirmation 2: The Project Supervisor certifies all Personnel who performed work for this project were trained in the DOE's Dust Control Procedures.

Initials: _____

Affirmation 3: All responses are true and accurate to the best of the Project Supervisor's knowledge.

Initials: _____

Project Classification

- Large Scale Job (*Fill out the Checklist for Large Scale Jobs.*)
- Minor Scale Job (*Fill out the Checklist for Minor Scale Jobs.*)

Signature: _____ Date: _____

Checklist for Large Scale Jobs (*Impacting 2 sq. ft. or greater of material*)

1. Was the work area isolated from non-authorized personnel using one of the methods described in the DOE's Dust Control Procedures?

Yes No

2. Were all air vents in the work area covered with polyethylene sheeting and secured with duct tape as described in the DOE's Dust Control Procedures?

Yes No

3. Were all objects removed and/or covered in the manner described in the DOE's Dust Control Procedures?

Yes No

4. Was the flooring in the work area covered with polyethylene sheeting and secured with duct tape as described in the DOE's Dust Control Procedures?

Yes No

5. Was HEPA filtration and/or vacuum(s) utilized in the manner described in the DOE's Dust Control Procedures?

Yes No

6. Was debris disposed of in the manner described in the DOE's Dust Control Procedures?

Yes No

7. Were ground-fault circuit interrupter (GFCIs) devices utilized in all extension cords and electrical equipment?

Yes No

8. Was the polyethylene sheeting throughout the area vacuumed, wet-wiped, and disposed of in the manner described in the DOE's Dust Control Procedures?

Yes No

9. Were all tools and equipment cleaned prior to removal from the work area?

Yes No

10. Did the Project Supervisor perform a final inspection of the work area as described in the DOE's Dust Control Procedures?

Yes No

Signature: _____ Date: _____

Checklist for Minor Scale Jobs (*Impacting less than 2 sq. ft. of material*)

1. Was the work area isolated from non-authorized personnel using one of the methods described in the DOE's Dust Control Procedures?

Yes No
